BETA 7570NG
Stretch work trousers, multipocket style

Certifications and Standards

CE EN ISO 13688:2013

Features

Functionality and style come together in the Top Line Beta trousers: maximum strength, comfort and a sophisticated design for a look that is refined in every detail

ELASTICITY AND COMFORT

The multi-directional stretch of the fabric (4-way-stretch) promotes fluid and natural movements, maintaining comfort even during the most dynamic phases of work.

RESISTANCE

The high-strength fabric and reinforced inserts in the areas subject to the most stress improve the durability of the trousers, offering effective protection against wear and tear in the most demanding work environments.

SOPHISTICATED DESIGN

Carefully thought-out design with orange accents that recall the Beta style: a synthesis of functionality, recognisability and aesthetic care.

COMPLETE, COORDINATED LOOK

The 7570NG trousers are perfect to be combined with the other garments in the TOP LINE line, creating a complete and professional work outfit without sacrificing comfort and style.
