THE MODULAR WORKSHOP EQUIPMENT
WITH 61,5_{cm} DEEP WORKTOP

Promotion valid until 28.02.2026
Prices do not include V.A.T.

Beta

C45PRO 2.0

TAILOR YOUR WORK ENVIRONMENT TO SUIT YOUR NEEDS.

Make your workshop or garage look different.

Choose from the preassembled solutions or create your workstation from scratch.

The modular workshop equipment, **C45PRO 2.0**, allows you to create your own work environment according to both the amount of space you have available and your usage requirements.

Adjustable feet

Aluminium handle

Tidy and practical

This **simple, flexible** range based on predetermined combinations, can be **expanded** or **changed** in time.

Alternatively, you can **fully customize your workstation**, starting with the worktops - available in **stainless steel** coated MDF or **multi-ply wood** - and supplementing them with the numerous parts and accessories you can choose from.

We are proud to introduce the **2.0 version** of our successful range, **C45PRO**.

61,5cm

Based on the **new 61,5-cm-deep worktop**, this range stands out as even more convenient and professional, with a view to increasingly meeting the most demanding professionals' requirements.

THE MODULAR WORKSHOP EQUIPMENT, C45PRO 2.0

allows you to create your own work environment according to both the amount of space you have available and your usage requirements.

3D PLANNER

Imagine and create...

Configure your workshop in 3D online

1 Draw the walls

Create the walls according to the dimensions of your workshop.

2 Design your workbench system

Select and assemble the component parts, to make your own combination.

3 View the result in 3D

The combination is immediately displayed in 3D and can be viewed from different angles.

4 Request a quote

Print the detail of the arrangement in PDF format and take it to your dealer to get a quote.

CUSTOMIZED MODULES ON REQUEST

Fill your drawers with customized modules in six steps

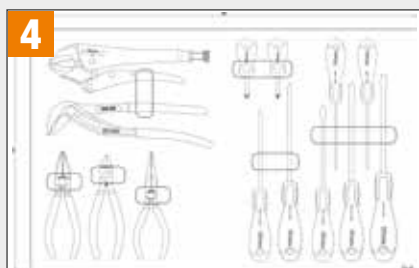

Determine your needs and send your project to the Beta dealer

2	Image	Product	Cod. Beta
		Self-locking pliers	010540022
		Pliers	010440250
		Pliers	011500046
		Screwdrivers for slotted head screws	012011039
		Screwdrivers for cross head Phillips® screws	012021018

We will receive and codify your initial assortment of the project

We will execute the design

We will submit the final layout for your approval

We will build the soft modules in Beta's factory in Sovico

We will deliver the tools in the customized modules
