WORKER

2026

VALID FROM
02/03/2026 TO 28/02/2027

BETA WORKER is the tool line designed to cater to professionals' requirements, providing essential, functional solutions, based on an excellent quality/price ratio.

BETA'S NEW RATCHET

The range has been further improved, thus reaching increasingly high quality standards, based on the introduction of **BETA'S NEW RATCHET** into the assortments

Manufactured in Beta's Italian-based factories, the ratchet stands out for its high performance and new design with bent lever and ergonomic handle. These hallmarks ensure comfort and ease of use everywhere, including in small spaces.

Furthermore, the range of mobile roller cabs complete with assortments has become even more unique, following the introduction of **BETA'S ICONIC WRENCH, ART. 42**, to provide the best possible solutions in terms of both quality and performance.
