DESIGN THAT MAKES THE DIFFERENCE

Modern lines, high-quality finishes and a refined aesthetic make the RSC39 much more than just a simple drawer unit: it is a **high-end solution for professional environments**, perfect for workshops, production departments, laboratories, technical offices and dealerships where **efficiency and aesthetics go hand in hand**.

The new RSC39 is available in four distinctive colours: orange, anthracite, red and the new exclusive **racing grey** version.

MORE ORDER, MORE SAFETY, MORE PRODUCTIVITY.

The RSC39 is not just a tool chest: it marks the beginning of a new era, and once again, Beta Utensili confirms its position as market leader, transforming the needs of professionals into practical and effective solutions.

FUNCTIONALITY THAT REVOLUTIONISES WORK

The real highlight is the innovative “In & Out” tool panel, featuring an automatic retractable mechanism for maximum convenience.
