

## BETA 1498/PR14 Conventional battery charger, 6/12V

### Certifications and Standards

### ROBUSTNESS

Thanks to the robust metal case and high-quality components, these battery chargers are the perfect ally for every work situation, guaranteeing resistance and reliability in all conditions

### SAFETY

The automatic thermal protections of these conventional battery chargers guarantee exceptional safety and reliability for the operator, offering maximum peace of mind during use

### FUNCTIONAL

The voltage and charging speed selectors allow you to customise the settings to your specific needs, giving you complete control and optimal charging for every situation.

### TRANSPORTABILITY

Ergonomic handle on the upper side facilitates carrying of the instrument

### SAFE VENTILATION

Large air intakes ensure constant air flow, preventing the instrument from overheating and guaranteeing long-lasting performance

### VOLTAGE UNDER CONTROL

The integrated ammeter on the front panel allows continuous and precise monitoring of the charging voltage
