

1639EAB

EPR self-amalgamating electrical tape

Working temperature: $-40 \div +90$ °C
 Tensile strength: 2.4 N/mm²
 Elongation: 750%
 Dielectric strength: 29.5kV/mm
 Flammability: flame retardant
 Reference standards: ASTM-D-4388; ASTM-D-4325
 Excellent resistance to: moisture, corrosion, chemicals

Stated prices are for individual tapes
