

BETA 1713M/K7 Kit of 7 inspection tools

Features

Indispensable set of tools to ensure maximum precision and reliability when working.

PRECISION

Thanks to the wide range of tools included in the kit, you will be able to carry out inspection with maximum precision and accuracy.

EASE OF USE

The telescopic handle and flexible pick up tool make it easy to reach even the most difficult areas.

VERSATILITY

The 2 mirrors, magnet and ultra bright LED light allow inspection in any environment, even in the darkest and hardest to reach places.

ORGANISATION

The magnetic stainless steel tool tray helps keep all tools organised and within easy reach.

PREHENSILE CLAW

Allows you to retrieve dropped objects in hard-to-reach areas.

MAGNET

Ideal for recovering dropped or lost metal parts.

ULTRA BRIGHT LED LIGHT

Indispensable accessory for illuminating the work area, making it easier to detect any problems or defects.
