

BETA 1778SOS

Car service knife with window breaking hammer and seat belt cutter features

Features

Compact, sturdy and multifunctional: this knife is the ideal ally for emergency situations in the car.

SPEED OF INTERVENTION

Multi-purpose knife equipped with window breaking hammer and seatbelt cutter features, for quick action in the event of an accident.

HIGH RESISTANCE

The stainless steel blade ensures resistance to impacts and corrosion, maintaining its sharpness even after intensive use.

PRACTICALITY

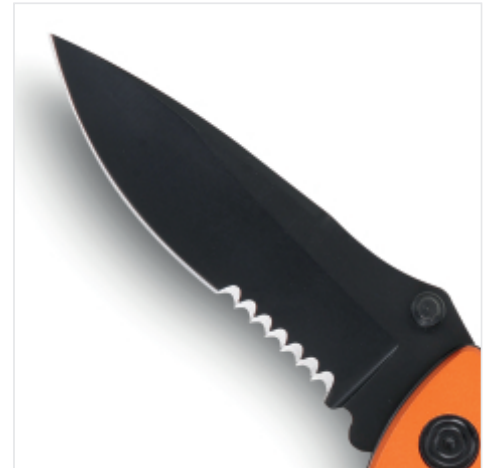

The back clip and fabric case make it easy to carry and always at hand, even in the most dynamic contexts.

WINDOW BREAKING HAMMER
Positioned at the base of the handle, it allows you to quickly break windows in an emergency.

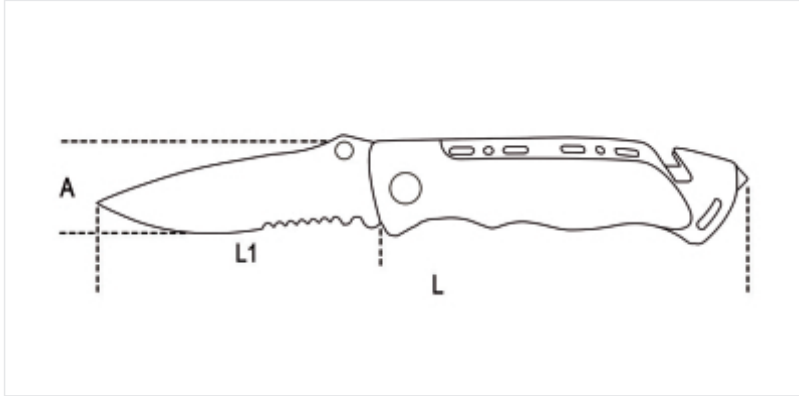

SEAT BELT CUTTING BLADE
Safe and integrated into the handle, it allows for immediate cutting of belts in critical situations.

DOUBLE SHARPENING
Blade with smooth front for clean cuts and serrated back for more resistant materials.
