

## BETA 1838/13LED-W

Rechargeable high-brightness LED lamp, wireless

### Certifications and Standards

## Features

Compact, rechargeable lamp with double light and integrated holders. Versatile, resistant and perfect for any professional context.

### INTEGRATED DUAL ILLUMINATION

Wide and spot light in one.

### POSITIONING FLEXIBILITY

With swivelling hook and 3 magnets, you can fix it anywhere and work comfortably hands-free.

### EXCELLENT FOR USE IN CONFINED SPACES

The head, which is slimmer than the body, makes it possible to illuminate even in hard-to-reach places without taking up space.

### PRACTICAL AND FAST CHARGING

Compatible with USB-C cable or wireless base for easy charging in any environment.

### FULL ILLUMINATION IN EVERY SITUATION

Powerful front light and integrated spot light for both wide areas and precision spots.
