

1919L

## ISO 32 lubricating oil

- Specially formulated for high performance on air tools
- The paraffin bases and the special additives allow:
  - unparalleled wear resistance
  - remarkable water resistance
  - low carbon residue
  - low freezing point and high rust resistance

Density 20°C	875 Kg/m <sup>3</sup>
Viscosity 40°C	32 cSt
Flammability COC	210°C
Freezing	-33°C
Peso	620 g

	art.		cc
