

1972/K20V-13BMC

Kit de furadeira de impacto, 20V, BRUSHLESS

CE

- Digital brushless motor
Significantly improved performance: increased power, reduced energy consumption, extended motor service life, improved power supply from button
- 3 operating modes: drilling, screwing and impact drilling
- Compact: no more than 210 mm in length
- Ergonomic nonslip handle
- Selector switch, screwing-unscrewing-locking modes (for transportation)
- Gear case made entirely from metal
- Built-in LED light for working in poor visibility conditions
- Belt clip (right/left side)
- Additional side handle for high-torque operation
- Supplied in a hard case with 2 lithium ion batteries (4 Ah) and quick charger (80 min)

Main features:

- Max. torque: 80 Nm
- 20-position torque adjustment
- 13-mm metal auto-chuck
- Double mechanical speed with steel gears (0-450/1600 rpm)
- Max. drilling diameter in wood: xx mm
- Max. drilling diameter in metal: xx mm
- Max. drilling diameter in masonry: xx mm

 5,5 kg

 490x370x125 mm
