

1972/K20V-13BMC

Impact drill kit, 20V, BRUSHLESS

Digital brushless motor for significantly improved performance: increased power, reduced energy consumption, extended motor service life, improved power supply from button.

Features:

- 3 operating modes: drilling, screwing and impact drilling
- Compact: no more than 210 mm in length
- Ergonomic nonslip handle
- Selector switch, screwing-unscrewing-locking modes (for transportation)
- Gear case made entirely from metal
- Built-in LED light for working in poor visibility conditions
- Belt clip (right/left side)
- Additional side handle for high-torque operation
- Supplied in a hard case with 2 lithium ion batteries (4 Ah) and quick charger

Technical features:

- Max. torque: 80 Nm
- Impacts per minute in 1st gear 0 – 6750 (BPM)
- Impacts per minute in 2nd gear 0 – 24000 (BPM)
- 20-position torque adjustment
- 13-mm metal auto-chuck
- Double mechanical speed with steel gears (0-450/1650 rpm)
- Max. drilling diameter in wood: 55 mm
- Max. drilling diameter in metal: 13 mm
- Max. drilling diameter in masonry: 13 mm

 5,5 kg
