

**BETA 2080/DS**  
SMALL organizer tool case, with  
15 compartments and 10  
removable partitions

**INDISPENSABLE**

The perfect solution for transporting small parts such as screws, nuts, washers, rivets or dowels.

**SAFE TRANSPORT**

Sturdy transparent cover designed to prevent material from spilling out of each compartment.

**VERSATILE**

Removable dividers to create compartments of different sizes according to your needs.

**STACKABLE**

The 2080/DS organisers can be stacked and hooked together.

**REMOVABLE PARTITIONS**

The dividers can be easily removed and repositioned, allowing you to create customised compartments for an orderly layout.

**TRANSPARENT COVER**

The transparent cover allows easy identification of the items inside, keeping everything tidy.

**STACKABLE ORGANISERS**

Our organisers are stackable, allowing for a compact layout and optimal portability.

**Coded items**
