

BETA 3040N

Adjustable motorcycle stand

HIGH CAPACITY

Supports up to 200 kg for practical and safe use, even with the heaviest motorbikes.

DURABILITY

The high-quality steel construction ensures excellent long-term durability.

VERSATILITY

The V- and L-shaped sliders make the motorcycle stand suitable for a wide range of motorbike types.

COATED HANDLE

PVC-coated handle provides a secure and stable grip during use.

SMOOTH MOVEMENT

4 non-marking PVC wheels guarantee easy transport and stability of the stand.

SCRATCH PROTECTION

The shock-absorbing support bases ensure the stand's structure is protected whilst in use.
