E-Bike lift

CE

E-Bike lift

- Maximum carrying capacity: 40 kg
- Maximum height of central movement support: 135 cm
- Built-in wheel truing stand
- Innovative thru-axle locking system
- Supplied with adapter sockets for most forks
- Supplied with fork connection adapter without thru-axle
- Fully foldable and transportable
- Lift weight: 48kg

Beta's E-Bike lift has been designed for all the garages where large numbers of heavy bicycles are serviced.

This type of workbench allows the effort in lifting pedal-driven vehicles to be dramatically reduced.

The innovative locking system relies on the thru-axle of the bicycle to ensure firm fixing, while avoiding having an excessive number of adapters on the workbench.

Foldable
