Workshop single-sided clamp for bicycle maintenance

- Clamp can be rotated 360°, with floating jaws and micrometric adjustment
- Carrying capacity: 25 kg
- Plastic tool tray
- Steel plate for unparalleled firmness
- Adjustable height

Professional clamp suitable for workshop jobs with limited space available.

Large, sturdy, heavy base allows safe jobs, even with E-Bikes. Professional revolving clamp allows 360° jobs, with safe bicycle rotation.

Micrometric tightening adjustment makes clamp suitable for carbon frames as well.

Coated clamp jaws allow clamped surface to be protected.

Floating jaws provide a safe hold, thus effectively dissipating force on clamped surface.

Tool tray is vertically adjustable.
