

7431P **Two pairs of sneaker socks with breathable texture inserts**

One pair in black/orange colour and one pair in black/grey colour.

Features:

- Nylon and cotton reinforcements on toe and heel areas
- Anatomically shaped cuffs
- Elastic support at instep
- Nylon sole woven with natural bamboo fibre

Advantages of bamboo fibre:

- Antimicrobial, antibacterial
- Odour-free
- Humidity and sweat absorbing
- Harder wearing than cotton
- Maintains a proper body temperature
- Lightweight and breathable
