

## BETA 7637G

Technical fleece sweatshirt with softshell fabric inserts

### Features

A mix of practicality and design: this sweatshirt is a must-have for those who love comfort without sacrificing style

#### COMFORT AND DURABILITY

The slim, ergonomic design makes the work sweatshirt extremely comfortable and functional. The softshell inserts further reinforce the garment and increase its durability.

#### MODERN LOOK

The attractive design and the combination of two different materials make this sweatshirt perfect for both work and leisure.
