CONVENIENCE

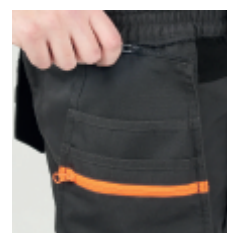

Trousers designed to provide unique convenience, based on the 14 pockets. The accurate details, detachable pockets at waist and ruler pockets ensure unique convenience, even for the most demanding workers.

STRENGTH

The polyester and cotton fabric is synonymous with hard-wearing trousers. The addition of anti-abrasion inserts on the knees and leg bottoms translates into further increased strength.

COMFORT

The addition of stretch inserts in inside legs and on the back results in remarkably comfortable trousers.
