

7980RN

**Cuffed winter cap, one size only**

Beta's winter cap is an essential winter accessory, the perfect combination between protection and comfort.

**PROTECTION**

The cap is lined with 3M Thinsulate™, a special microfibre which provides both cold protection and breathability.

**COMFORT**

The peculiar, extremely thin weave of 3M Thinsulate™ ensures maximum comfort and wearability, while optimally enhancing the temperature regulating function.
