

7981N**Rainproof cap**

The PU-coated rainproof cap, designed to be waterproof, provides protection from both the rain and the sun.

SIMPLICITY AND DESIGN

The simple, classic style is enhanced by stitching details on the brim and the addition of reflex details on the back and in the logo.

COMFORT AND WEARABILITY

The hat is lined with a soft, breathable fabric, for improved comfort. Available in two sizes, for customized wearability.
