

8146C
Lever hoist, compact

CE

EN13157
Features:

- Professional model, complies with EN13157 standard, easy to install and use
- Designed to lift, pull and secure heavy loads quickly and safely
- Can be connected to a fixed point or mobile devices for lifting operations
- Can be used in any position for tensioning and anchoring operations
- Automatic brake with double pawl system for optimized safety
- Roller bearings for increased smoothness and durability
- Swivel hook with safety latch
- Safety factor: 4
- WLL: working load limit

Technical data:

- Safety factor: 4
- Identification tag

Available Certificates:

- Manufacturer's Certificate
- CE Declaration of Conformity
- Test Report UNI EN10204 type 2.2
- Technical Product Specifications
