

**8146**
**Lever hoists**
**CE**
**EN13157**

- Professional model, complies with EN13157 standard, easy to install and use.
- Designed to lift, pull and secure heavy loads quickly and safely.
- Can be connected to a fixed point or mobile devices for lifting operations.
- Can be used in any position for tensioning and anchoring operations.
- Automatic brake with double pawl system for optimized safety.
- Roller bearings for increased smoothness and durability.
- Swivel hook with safety latch.
- Safety factor: 4.
- WLL: working load limit

**TECHNICAL DATA**

safety factor: 4
