

**860/C27**

**25 bits, 1 connector and 1 reversible ratchet in plastic case**

Each head has a different colour for quick identification.

Small, compact ratchet for jobs in small areas; recommended for general maintenance: automation, assembly lines.

Main features:

- 5 degree take-up angle
- Knurled head for quick mechanism handling
- Sealing magnet
- Can be used with bits and sockets

Coloured bits for immediate head recognition.
