

BETA 9561B 2,50

Sail flag, 2.50x0.50 m, with pole and base

Features

Black 250x50 cm sail with clearly visible orange Beta logo. Light, stable and ideal for giving maximum visibility to the brand.

VISIBILITY

The sail with Beta logo ensures maximum visibility for the brand, making it easily recognisable even from afar.

RESISTANCE

Fibreglass makes the pole more wind-resistant and less prone to breakage than metal or plastic.

MAXIMUM STABILITY

Ballast that can be filled with water or sand: provides greater stability for the sail and reduces the risk of capsizing in windy conditions.

EASY TRANSPORT

Carrying bag included: facilitates transportation and protects all sail components during transport.
