

- Removes ice and frost from windows.
- Also ideal for frozen locks and mechanisms.
- Effective down to -40 °C.
- Nongreasy, smear-free.
- Does not affect treated surfaces, rubber and plastics.

DIRECTION FOR USE: Car windows: Spray the product onto the parts that need treating. Wait for the windows to defrost and operate the windscreen wipers. Windows in general: Spray the product and leave to act; dry with a cloth.
