

BETA C45PRO 2.0 A1/RB600

Interior shelf for tool cabinet C45PRO AS1, with clothes rail

Features

Functionality and tidiness.

EASY ACCESS

The clothes rail ensures that clothes are always close at hand, preventing creases or clutter on the shelves.

MAXIMUM ORGANISATION

Shelves allow you to store items neatly and display them easily.

GUARANTEED RESISTANCE
Total load capacity of the shelf:
30 kg. The hanger bar alone
can support up to 10 kg.

INTERNAL SPACE
The depth of 430 mm allows
the use of standard hangers,
ideal for conveniently hanging
even the bulkiest garments.

WORKWEAR
The ideal solution for trousers,
sweaters and work jackets.

Coded items

	Art.
