

BETA C45PRO 2.0 BLX

Workbench for workshop equipment combination C45PRO 2.0

The ideal complement to transform the workshop into a highly functional and professional working environment.

Sheet metal frame, height adjustable feet and preparation for vice 1599P/150 (optional).
To be used exclusively as a complement to a workshop furniture combination.

Features

Robustness, versatility and design for the workshop.

STABILITY AND SAFETY

The sheet metal construction and exceptional load capacity ensure that the bench can support heavy objects without risk of deformation or sagging.

PROFESSIONAL DESIGN

With its robust and professional appearance, the C45PRO 2.0 workbench not only enhances the functionality of the workshop, but also elevates its appearance.
