

## BETA C45PRO 2.0 EW Workshop equipment combination C45PRO 2.0

### Features

Combination C45PRO 2.0 EW: Professional, Robust and Tidy.

#### OPTIMAL SPACE AND FUNCTIONALITY

The worktop, with a depth of 61.5 cm, offers a large and comfortable surface area, ideal for maximum functionality during professional use.

#### INNOVATIVE DESIGN AND QUALITY AT THE BEST PRICE

The C45PRO 2.0 workshop furniture range offers contemporary design and innovative technical solutions, providing a professional working environment at an attractive price/performance ratio.

#### MODULARITY AND FLEXIBILITY

Thanks to its modular structure, the C45PRO 2.0 line allows you to completely customise your work environment according to the space available and your specific needs.

#### PROFESSIONAL WORK SURFACE

The worktop made of multilayer wood offers robustness and resistance to high loads, making it perfect for intensive and continuous work.

#### ORDER AND PRECISION

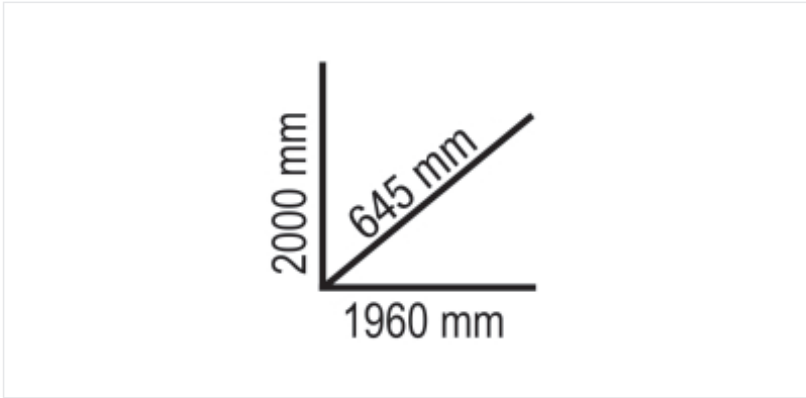

Thanks to the long drawer 1248x406 mm and the 6 wide drawers 782x406 mm, tools can be organised precisely and tidily.

#### EXTRA SPACE

Practical wall brackets that offer additional space while preserving the worktop surface.
