

BETA C45PRO 2.0 PWE/3-2,0MT
Workbench C45PRO 2.0, made
from multi-ply wood, 2040x615
mm

Features

Durability and versatility: the multi-layer wood work surface is the ideal choice for a durable and multifunctional work environment.

EXCEPTIONAL STRENGTH AND DURABILITY

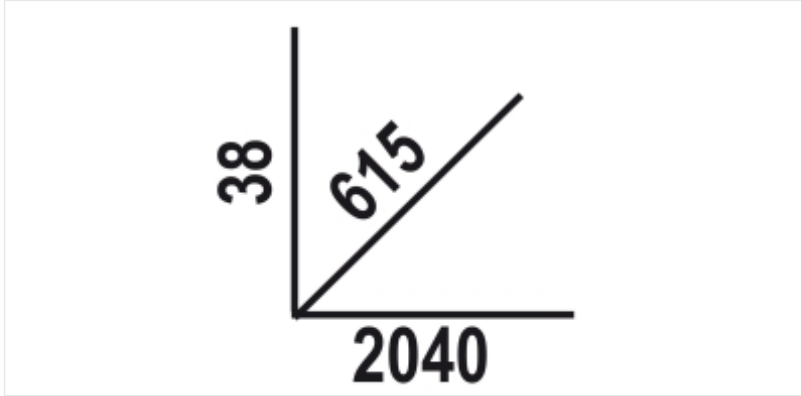

The multi-layer wood work surface offers superior strength and durability, making it ideal for intensive use in the workshop. The quality of the materials guarantees a stable and safe surface for all your machining tasks.

VERSATILITY AND FUNCTIONALITY

The 38 mm thickness provides stability and solidity to the work surface, allowing the safe mounting of a 1599P/150 vice (to be ordered separately).

This feature increases the versatility of the bench, making it suitable for a wide range of tasks and improving
