

BETA C56BLP Multi-purpose folding workbench

Features

A workbench designed to adapt to every professional need.

VERSATILITY AND EASE OF USE

Thanks to its multi-purpose worktop with a graduated scale and the possibility of using it as a trestle, this workbench is suitable for many applications, making it ideal for all professionals.

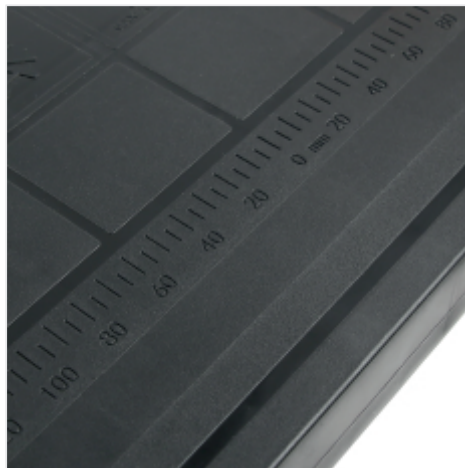

EASY TRANSPORT

With its folding design, adjustable telescopic legs and integrated handle, the bench is easy to transport and store even in small spaces, meeting the needs of those with limited space.

PRACTICALITY

Large worktop (820x630 mm), ideal for providing sufficient space to perform all work tasks with precision and comfort.

PRECISION

The graduated scale in millimetres and inches allows precise measurements directly on the bench, facilitating precision work.
