

BETA M208MH

EVA foam tray with Morphos screwdrivers for slotted and Phillips® head screws

The ideal solution for keeping all tools in order.

Impeccable organisation with moulded EVA foam trays: tools stable, protected and always ready for use. The MORPHOS screwdriver offers ergonomics and 30% more torque.

Features

EVA foam trays for absolute tool protection.

COMPATIBILITY

294x367 mm foam tray, fully compatible with standard Beta drawers.

EFFECTIVE PROTECTION

The foam tray is 35 mm thick to effectively protect and store all tools.

NEW MORPHOS SCREWDRIVERS

The innovative tri-material handle, with a rigid polypropylene core and double-soft inserts, ensures effective and constant force transmission. Controlled deformation zones adapt to the palm contact points, improving thrust and clamping efficiency. 30% more torque than previous models
