

BETA RSC39/7
Mobile roller cab with 7 drawers

Features

Designed for efficiency, order and security: every detail is designed for superior performance.

INTELLIGENT ORGANISATION

The 'In & Out' system of the perforated tool panel keeps tools visible and tidy at all times, improving work speed and accuracy.

MAXIMUM PRODUCTIVITY

Reduces search time and optimises every operation, increasing daily efficiency in the workshop.

PROFESSIONAL STURDINESS

Structure designed to withstand high loads and intensive use over time.

DISTINCTIVE DESIGN

Modern lines and finishes enhance the working environment with a unique and professional style.

INTEGRATED PERFORATED TOOL PANEL

Concealed system with pistons: practical and fast, always visible. Maintains order and safety when closed. Load capacity 5 kg.

HIGH LOAD CAPACITY

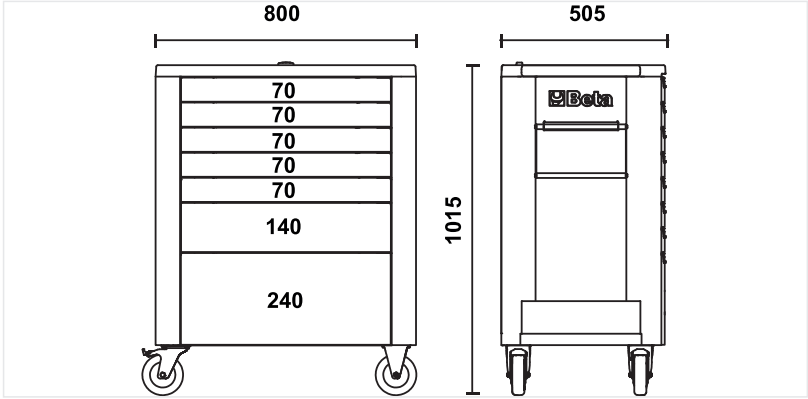

Designed to support high loads of up to 1000 kg in total safety.

CUSTOMISABLE DRAWERS

Up to 4 EVA foam trays or ABS thermoformed trays can be inserted in each drawer.
