

## BETA RSC50 2.0 A1/RB59 Interior shelf for tool cabinet RSC50 A1, with clothes rail

### Features

The ideal solution for those looking for impeccable organisation and optimised storage space.

#### MORE STORAGE SPACE

A cupboard with shelves and a clothes rail offers more storage space than other furniture such as drawers or shelves.

This means that more tools, materials and other items can be stored in an orderly and organised manner, without

#### EASY ACCESS

Thanks to the clothes rail, clothes will be easily accessible and will not be folded or piled up on a shelf.

#### BETTER ORGANISATION

Shelves allow you to store items in an orderly manner and display them easily.

A wardrobe with a shelf and clothes rail allows you to organise everything more efficiently, storing clothes according to colour, fabric type or season and items according to their function, frequency of use or size.

#### LOAD CAPACITY

Total load capacity of the shelf is 30 kg. The hanger bar alone can support up to 10 kg.

#### DEPTH

The depth of the cupboard (660 mm) facilitates the insertion of standard-sized hangers to hang even the bulkiest clothes.

#### WORKWEAR

The ideal solution for trousers, sweaters and work jackets.
