

BETA RSC50 2.0 F/411UT Workshop equipment combination RSC50 2.0 with 411 tools

Features

Workshop furniture RSC50 2.0: the perfect combination of modernity and innovation to transform the work environment into a place where ideas take shape.

PROFESSIONAL

Sturdy and very deep worktop (70 cm) for a large, comfortable and functional work surface. The provision for mounting a vice makes it even more practical; also suitable for heavy-duty use.

QUALITY WITHOUT COMPROMISE

Every material is carefully chosen, guaranteeing high quality standards that are reflected in every detail of our workshop furniture.

MODULARITY

It is possible to expand or modify the existing furniture configuration at any time, depending on your requirements. This is a distinctive feature of the Beta workshop furniture RSC50 2.0, designed to adapt to the changing needs of the working environment.

SIMPLE TO ASSEMBLE

The production optimisation of the components of the RSC50 2.0 line enables intuitive and fast assembly, minimising the number of steps required to assemble the furniture. This is an example of our commitment to providing efficient and practical solutions to meet the needs of the worker.
