

BETA T167MH

ABS foam tray with Morphos screwdrivers for slotted head screws

The ideal solution for keeping all tools in order.

Impeccable organisation with ABS thermoformed trays: tools are stable, protected and always ready for use. The MORPHOS screwdrivers offer ergonomics and 30% more torque.

Features

Perfect product for those looking for a way to organise their tools efficiently and professionally.

TOOLS ALWAYS IN ORDER

Work tools always tidy and at hand.

COMPATIBILITY

ABS thermoformed tray 294x367 mm, perfectly compatible with standard Beta drawers.

NEW MORPHOS SCREWDRIVERS

The innovative tri-material handle, with a rigid polypropylene core and double-soft inserts, ensures effective and constant force transmission. Controlled deformation zones adapt to the palm contact points, improving thrust and clamping efficiency. 30% more torque than previous models
