

BETA T294

ABS thermoformed tray with cutting and measuring tools

Features

The perfect accessory to always have the necessary cutting, measuring and shaping tools at hand.

TOOLS ALWAYS IN ORDER

Work tools always tidy and at hand.

COMPLETE ASSORTMENT

The thermoformed mould includes both cutting tools (indispensable for shaping and moulding raw materials into precise, defined shapes) and measuring tools (perfect for ensuring that parts are produced to the correct dimensions and that designs are realised accurately).

EASY CLEANING

Thermoformed tray made of ABS, an easy-to-clean material.

GUARANTEED PROTECTION

The impact and chemical-resistant material ensures maximum protection for all tools.

EFFICIENCY

Foam trays improve operational efficiency due to the organised arrangement of tools.
