

BETA VP7-C

ABS thermoformed tray with 3 tote trays, for mobile roller cabs C45PRO 2.0

Features

The ideal product for those who want impeccable organisation and professional performance.

STRENGTH AND DURABILITY

ABS provides unbeatable protection against impact and abrasion, ensuring a long service life.

EFFICIENT ORGANISATION

The 3 separate trays allow efficient arrangement of small parts, eliminating clutter and facilitating quick access to components.

ERGONOMIC DESIGN

Designed to fit perfectly with C45PRO mobile roller cabinets, it optimises available space and improves productivity.

EASY CLEANING

ABS is easy to clean and maintain. Residues of dust, oil or dirt can be quickly removed.

GUARANTEED PROTECTION

The ABS thermoformed tray, resistant to impact and chemicals, guarantees optimal protection of the small parts.

EFFICIENCY

The ABS tray improves operational efficiency due to the organised arrangement of the screws and projects a professional image.
